

Catalogue Kallías

Since January 1999, the collections of the German Literature Archive Marbach have been in development with Kallías; the card catalogues are available as the relevant source of information for the period of time prior.

Registered users have the option to place [orders](#) via the Internet.

Please note

Due to comprehensive conservational measures in the library (mass deacidification), the call number groups »L« and »LL« have limited availability until the end of 2021. Please acquire necessary information prior to your planned stay in Marbach.
